AGM Update, 15 May 2021

Great AGM... after routine business we were treated to three enlightening and forward-looking reports (Recovery, Recruitment, and Training groups) on how ringers and towers can gradually move towards in-person ringing again as Covid-19 lockdowns slowly ease up. And exciting to reflect on how all of these ideas can develop over the coming months. Some ideas on how to support Dundee's augmentation project financially (more details shortly). Striking competition results. 50-50 Club draw (with entertainment from Ruth's glamorous assistant). And rounded off by Simon's superb quiz (joint winners: Sue&IanT & AnnieB). Info and ents enjoyed by over 50 SACR members.

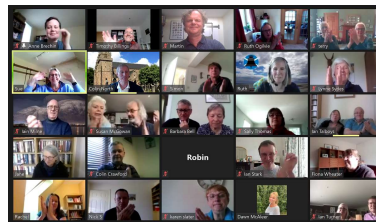

Virtual Striking Competition results: Big Congratulations to Glasgow B for winning the Striking Competition. To Inverness for silver medal and to Edinburgh STAG&StCuthbert's for the bronze accolade. Many many thanks to Matt Hetherington for superb, eloquent and constructive comments. And to all 54 ringers for taking part. Not forgetting Ruth & Jonathan for organising. Bands taking part:

Dundee augmentation appeal :: Usually at in-person meetings a fund-raising donations bucket would be circulated, and at this meeting it would have been for the Dundee augmentation appeal... so we're going virtual this year for donations and if you wish you can donate online (or by cheque or bank transfer) via this link: <https://www.saintpaulscathedral.net/st-pauls-cathedral-bells-appeal>.

St Paul's Cathedral Dundee have set up an online donations page via PayPal to facilitate the payment of donations to the fund raising for the bells appeal. Gift Aid where applicable is added to the donation and added to the fund directly, so please tick the Gift Aid box if this applies to your circumstances. Please follow the link above. Your donation can be made via bank debit/credit card. If you would prefer to make a donation via cheque or bank transfer please email mcgamble01@gmail.com, who will pass on the bank details and gift aid form.

Thank you so much for any donations – no matter how small, it will all count in the end.

There will be further opportunity to donate to fund raising events soon! In the next couple of weeks, Margaret will publish full details of her sponsored marathon run from Dundee to St Andrews at the end of June! Thanks again for your support.
